MEMORANDUM FOR: Deputy Director, Support

SUBJECT : Purchase of Television Sets for  
Isolated Area (Project OXCART)

REFERENCE : Memorandum for the DD/S from AD/OSA,  
Same Subject, Dated 15 November 1962,  
(4597).

25X1A

1. This memorandum contains a recommendation for the approval of the Deputy Director, Support. This recommendation is contained in paragraph 4.

2. Reference memorandum requested and received the approval of the DD/S for the purchase of 50 television sets for use by personnel located at [REDACTED]. Since the approval of that paper, the population at this location has nearly doubled and [REDACTED] additional eight man houses have been erected. [REDACTED] more such houses are in the process of being procured and the total population anticipated at this site will approach [REDACTED] shortly after the first of the year.

3. The Chief of Base has requested the purchase of 50 additional television sets for inclusion in the new houses. He estimates that this total number of 100 sets will be all that will be required. We believe that the provision of these television sets has proven to be an excellent investment as a means of occupying the spare time of [REDACTED] personnel and helping to maintain morale at a high level.
